The first priority of an Elite Staffing Employee is to satisfy his or her job responsibilities. Referral bonuses are paid only for referrals who are not already in Elite Staffing's database. Referral amounts will be determined by Elite Staffing Management. Elite Staffing employees are expected to use off-hours for all referral activity. Referring employees of current Elite Staffing clients is not acceptable. You do not have to be an Elite Staffing employee to participate in this program. This form must be completed and turned in to an Elite Staffing representative prior to the referral contacting Elite Staffing. A bonus will not be awarded if the referral contacts Elite Staffing prior to the form being turned in. Elite Staffing does not guarantee employment to any individual, and reserves the right to change these program rules at any time.
